MAKE FIGHT ON ALL **NELSON OFFICERS**

Report That There Will Be Strong Opposition to Every Man Holding Office.

ECHOES OF LOVING TRIAL

Lines to Be Drawn Similar to Those in Recent Senatorial Primary Contest.

ISpecial to The Times-Dispatch, I AMHERST, VA., September 21.—Reports reaching Amherst are to the effect that there will be a bitterly fought political battle all along the line in Nelson county this fall. It is reported that all of the officials in that county will have opposition, including Sheriff M. K. Estes, whose son. Theodore Estes, was shot by Judge W. G. Loving, and who took such an active part in the senatorial contest recently fought out in the Nineteenth District. Already Mr. W. B. Lea, a prominate merchant of that county, has announced himself a candidate for the office of treasurer against the incumbent, Mr. J. R. Pecbies, Mr. Lea this week published a card to the votors of the county, in which he pledges the people of his county that every county, State and district warrant shall be paid when due, and that every voter of the county who jays his capitation tax within the time prescribed by law may be assured that his name will appear upon the tax list, and that he will be entitled to vote. It is not known whether by this statement it is meant to charge that there has been delinquency in these matters upon the part of Treasurer Peebles.

Free-for-All Fight.

Free-for-All Fight.

Nelson is one of the counties in which they do not held any primary for county officers. The members of the State Legislature are nominated in a primary, but the other officers fight it out in the general election. For a number of years past there has been little open opposition to the office-holding element in this county. Mr. Estes has been sheriff for years.

Mr. S. B. Whitehead, the Commonwealth's attorney, who led the forces of the prosecution in the case against Judge Loving before that case was moved from Nelson county to Halifax, was appointed to his office by Judge B. T. Gordon when Judge Gordon himself vacated this office, which he had held for years, to go upon the bench. Mr. Whitehead now for the first time comes before the people as a candidate for the office of Commonwealth's attorney.

is said that the shooting of Theo-Estes by Judge Loving played er an important part in the re-senatorial fight in Nelson, in th Mr. W. K. Allen defeated Sen-Aubrey E. Strode in that county 23 votes. As most of the officers are now asking for re-election identified with the prosecution udge Loving and were active supwhat similarly drawn in the approach ing contest. Who the candidates against Mr. M. K. Eyes and S. B. Whitehead will be is not yet known. To Have Electric Light.

It is said that a corporation will be soon organized with the object of furnishing electric light to the town of Amherst. The site has already been purchased for the erection of the plant Messrs. H. L. and H. E. Page, of Norfolk, are back of the movement Associated with them will be the sound that the said of the sound the sound that the said of the sa vement. Associated with them will prominent citizens of Amherst.

RECEPTION TO STUDENTS.

Welcome to Young Men of Washington and Lee and V. M. I.

[Special to The Times-Dispatch.]

LENINGTON. VA. September 21.—
An interesting reception was lield Tuesday evening at Trinity Methodist Church by the congregation in honor of the students of Washington and Lee University and cadets of the Virginia Military Institute whose denominational preference is for the Methodist church. About one hundred young men from the two institutions were present. They were greeted in a brief address by the pastor. Rev. W. S. Hammond, and an attractive musical program was carried out, consisting of soles, duets and a quartet. Refreshments in abundance were served. The spacious Sunday-school room was tastefully decorated with potted plants, evergreens and goldenrod.

The old Hotel de Hart, which was erected during the "boom" days just west of Lexington, has been fitted up by the owners, Messrs. E. A. Moore and Paul M. Penick, and is now used as a realized describer. college dormitory. The name has been changed to "Castle Hill." The building is located on a commanding post tion, with a fine sweep of country all around. This is the first time the hotel

tion, with a fine sweep of country all around. This is the first time the hotel has ever been occupied. It is nicely furnished, and will no doubt in the future be used as a summer hotel.

Mr. James LeRoy Mills, of Norfolk, a law student at Washington and Lee University, arrived in Lexington a few days ago with his bride, who was Miss Iva Duncan, daughter of Mr. Constance, of Norfolk. They were married Saturday night, September 14th, at the home of the bride. Mr. Mills is a member of the university law class.

Arrangements are being made by the Natural Bridge Company to macadamize the public roads extending through their property, which will mean the construction of a number of miles of such roads. The county authorities of Rockbridge have also inken steps for the construction of macadam roads, to a limited extent, in all the districts in the county.
